ATTEND!

A BIG, SUPER-SIZED, THANK YOU

to Jill Torgerson for having the vision to bring into being BAAC's Writer's Gathering in the fall of 2022! The hardest part of beginning something new is taking the first steps and getting it off the ground. BRAVO Jill! She will still be a part of the group, but due to a busy schedule, she is handing the leadership role over to Ann Marie Newman. That's me. Hello!

As we enter summer, we will go on a hiatus. Kinda-sorta that is. In July, I hope to plan a fun afternoon of writing games that should produce laughter, friendship building, and a good time for all! Oh, there'll be muchies too!

Come September, we will start the ball rolling with a potluck, and all will be invited to share their recipe, a brief story or poetry related to the dish, and

smiles.

WAHOO! Food, recipes, stories, poetry and smiles!
Stay tuned for updates in the July newsletter!

All are welcome--- interested, beginning or experienced writers!

Bagley Area Arts Collaborative Photo Club

meets on the

first Saturday of each month at the Clearwater County History Center's meeting room in Shevlin from 10 am – 12 Noon.

This is a free event and anyone is welcome.

Ancient Legends and Tales of Norwegian Trolls

Saturday, June 10, 2023

Bagley High School Auditorium - 2 pm and 6 pm

This activity is made possible by the voters of Minnesota through grants from the Region 2 Arts Council, thanks to a legislative appropriation from the Arts & Cultural Heritage Fund.

THE STORY OF LEKAMØYA

A PUPPET SHOW

A legend of Ancient Norwegian Trolls as portrayed by large body puppets and puppets on stilts, all directed by professional puppeteers!

Presented by Community Members of the Bagley Area.
Live music by Curtis and Loretta that makes this tale come alive.

Lekamøya is a mountain formation on the island of Leka, Norway and an old sea mark which has a legend. This sea mark is part of the classic Nordland tale about trolls who became mountains along the northern coast of Norway. Norway's longest legend/adventure, stretches from Lofoten in the north to Leka in the south.

Held at the Bagley High School Auditorium. Admission is free. Free Will Donations will be accepted

Workshop Title: **Getting the Right Focus**

Please note: Although cell phones may be used, *this workshop is intended for dedicated camera users.*

- **Cost: \$50**
- **Dates: June 10 and June 17**
- **Place: Itasca State Park, Jacob V Brower Visitor Center Classroom**
- **Daily Times: 10:00 AM – 3:00 PM**

This two-day workshop will deal with “focus” in photography – from both an artistic and mechanical perspective.

Several artistic principles will be explored. After a presentation on each principle, participants will shoot to apply the principles to the many subjects Itasca has to offer – wildflowers, people, structures and landscapes. Artistic principles may include:

- Focusing and depth-of-field
- Focus on how people will view your photograph
- Focus on using lines and “flow”
- Focus on framing and aspect ratio

Participants are encouraged to shoot before and after class sessions.

Day 2 will begin with an early-morning shooting session. Time and location will be announced at the end of Day 1. When class convenes at 10 am, participants will share their best image(s) from Day 1. After a lunch break, Lowell will share his workflow of image processing using Lightroom, DxO PhotoLab 6, Helicon. Group shooting will continue after 3:00 pm.

Photographer, Lowell Wolff, will be leading the classes. His most recent collection, Reflections of Northern Minnesota is at the Bagley Public Library.
